

Appreciation Letter

To

M/S Reliant Engineers & Contractors

H No 108, Sivanand Nagar, Raipur-492008

Subject: Appreciation of Cement mill Roller press commissioning

We are pleased to formally acknowledge the successful commissioning of the Cement Grinding Mill upgradation Project at UltraTech Cement Ltd., Unit : Roorkee Cement Works, Uttarakhand during 2023 to 2024.

The project has been commissioning in accordance with the contractual requirements, technical specifications, quality standards and project schedule.

We particularly appreciate your contributions in: -

- Timely execution and completion of project activities.
- Adherence to quality assurance and quality control requirements.
- Compliance with health, safety and environmental standards.
- Effective coordination with project stakeholders and site personnel.
- Prompt resolution of technical and operational challenges during project implementation.

The successful commissioning and handover of the cement manufacturing facility is a significant milestone and your organization's efforts have played an important role in achieving this objective.

On behalf of Ultratech Cement Works, we extend our sincere gratitude to your management and project team for their valuable contribution and cooperation.

We wish M/S Reliant Engineers & Contractors continued success in its future endeavours.
