Subject: Appreciation and Project Completion Acknowledgment

We are pleased to formally acknowledge the successful completion of the **0.6 MTPA Cement/Slag Grinding Mill upgradation Project** at **West Bengal Cement Works, Ultratech Durgapur** during **2023 to 2025**.

The project has been completed in accordance with the contractual requirements, technical specifications, quality standards, and project schedule. Throughout the execution of the project, your team demonstrated professionalism, technical competence, commitment to safety, and effective project management.

We particularly appreciate your contributions in: -

- Timely execution and completion of project activities.
- Adherence to quality assurance and quality control requirements.
- Compliance with health, safety, and environmental standards.
- Effective coordination with project stakeholders and site personnel.
- Prompt resolution of technical and operational challenges during project implementation.

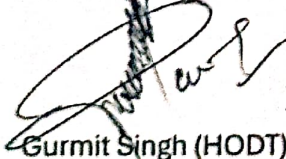

The successful commissioning and handover of the cement manufacturing facility is a significant milestone, and your organization's efforts have played an important role in achieving this objective.

Based on our evaluation of the project performance, we are pleased to record our appreciation for the dedication and professionalism exhibited by your team throughout the project lifecycle. We consider your performance on this project to be satisfactory/excellent and would be pleased to consider your organization for future opportunities.

On behalf of **Ultratech Cement Works**, we extend our sincere gratitude to your management and project team for their valuable contribution and cooperation.

We wish **M/S Reliant Engineers & Contractors** continued success in its future endeavours.

Thanking you,

20/06/26
